

## Public All-Gender Restrooms (as of 10/16/19)

| Campus Side | Building Name                                     | Floor | Room Number | Room Type                         |
|-------------|---|-------|-------------|-----------------------------------|
| East Campus | University Hall                                   | 04    | 430         | All Gender (X0308)                |
| East Campus | University Hall                                   | 11    | 1159        | All Gender (X0308)                |
| East Campus | Science & Engineering Laboratory East             | 02    | 2112A       | Accessible and All Gender (X0310) |
| East Campus | Science & Engineering Laboratory East             | 02    | 2112B       | Accessible and All Gender (X0310) |
| East Campus | Science & Engineering Laboratory East             | 03    | 3112A       | Accessible and All Gender (X0310) |
| East Campus | Science & Engineering Laboratory East             | 03    | 3112B       | Accessible and All Gender (X0310) |
| East Campus | Science & Engineering Laboratory West             | 02    | 2003        | All Gender (X0308)                |
| East Campus | Science & Engineering Laboratory West             | 02    | 2006        | All Gender (X0308)                |
| East Campus | Science & Engineering Laboratory West             | 03    | 3002A       | Accessible and All Gender (X0310) |
| East Campus | Science & Engineering Laboratory West             | 03    | 3002B       | Accessible and All Gender (X0310) |
| East Campus | Daley Library                                     | 02    | 2343        | All Gender (X0308)                |
| East Campus | Douglas Hall                                      | 01    | 163         | All Gender (X0308)                |
| East Campus | Burnham Hall                                      | 02    | 214         | All Gender (X0308)                |
| East Campus | Burnham Hall                                      | 02    | 216         | All Gender (X0308)                |
| East Campus | Behavioral Sciences Building                      | 01    | 1004        | All Gender (X0308)                |
| East Campus | Science & Engineering South                       | 03    | 3592        | All Gender (X0308)                |
| East Campus | Roosevelt Road Building                           | 02    | 298C        | Accessible and All Gender (X0310) |
| East Campus | Stevenson Hall                                    | 02    | 204A        | All Gender (X0308)                |
| East Campus | Architecture and Design Studios                   | 00    | B531        | Accessible and All Gender (X0310) |
| East Campus | Student Recreation Facility                       | 01    | 173A        | All Gender (X0308)                |
| East Campus | Student Recreation Facility                       | 01    | 173B        | All Gender (X0308)                |
| East Campus | Physical Education Building                       | 00    | B86C        | All Gender (X0308)                |
| East Campus | Art and Exhibition Hall                           | 01    | 1226        | All Gender (X0308)                |
| East Campus | Art and Exhibition Hall                           | 01    | 1228        | All Gender (X0308)                |
| East Campus | UIC Police Station                                | 01    | 145         | All Gender (X0308)                |
| East Campus | Taylor Street Building                            | 03    | 316         | All Gender (X0308)                |
| West Campus | Eye and Ear Infirmary                             | 03    | 3179        | All Gender (X0308)                |
| West Campus | Human Resources Building                          | 04    | 410         | All Gender (X0308)                |
| West Campus | College of Medicine East Tower                    | 02    | 273         | All Gender (X0308)                |
| West Campus | College of Medicine East Tower                    | 10    | 1011        | All Gender (X0308)                |
| West Campus | College of Medicine East Tower                    | 12    | 1202        | All Gender (X0308)                |
| West Campus | College of Medicine East Tower                    | 13    | 1302        | All Gender (X0308)                |
| West Campus | College of Medicine East Tower                    | 14    | 1402        | All Gender (X0308)                |
| West Campus | Medical Center Administration Building            | 01    | 141         | All Gender (X0308)                |
| West Campus | Applied Health Sciences Building                  | 00    | B43         | All Gender (X0308)                |
| West Campus | Applied Health Sciences Building                  | 02    | 243         | All Gender (X0308)                |
| West Campus | Applied Health Sciences Building                  | 05    | 510A        | All Gender (X0308)                |
| West Campus | College of Pharmacy                               | 00    | B27         | All Gender (X0308)                |
| West Campus | College of Nursing                                | 05    | 502         | All Gender (X0308)                |
| West Campus | College of Nursing                                | 07    | 702         | All Gender (X0308)                |
| West Campus | College of Nursing                                | 09    | 902         | All Gender (X0308)                |
| West Campus | College of Nursing                                | 11    | 1102        | All Gender (X0308)                |
| West Campus | Library of the Health Sciences                    | 01    | 127         | All Gender (X0308)                |
| West Campus | University of Illinois Hospital                   | 02    | 2143        | All Gender (X0308)                |
| West Campus | Neuropsychiatric Institute                        | 01    | 121         | All Gender (X0308)                |
| West Campus | Neuropsychiatric Institute                        | 01    | 122         | All Gender (X0308)                |
| West Campus | Neuropsychiatric Institute                        | 02    | 220A        | All Gender (X0308)                |
| West Campus | Neuropsychiatric Institute                        | 02    | 220B        | All Gender (X0308)                |
| West Campus | Disability, Health and Social Policy Building     | 01    | 104         | All Gender (X0308)                |
| West Campus | Disability, Health and Social Policy Building     | 02    | 229         | Accessible and All Gender (X0310) |
| West Campus | Disability, Health and Social Policy Building     | 04    | 429         | Accessible and All Gender (X0310) |
| West Campus | Disability, Health and Social Policy Building     | 05    | 529         | Accessible and All Gender (X0310) |
| West Campus | Disability, Health and Social Policy Building     | 07    | 729         | Accessible and All Gender (X0310) |
| West Campus | School of Public Health and Psychiatric Institute | 01    | 109D        | All Gender (X0308)                |
| West Campus | School of Public Health and Psychiatric Institute | 03    | 315WA       | All Gender (X0308)                |
| West Campus | School of Public Health and Psychiatric Institute | 03    | 315WB       | All Gender (X0308)                |
| West Campus | School of Public Health and Psychiatric Institute | 06    | 660         | All Gender (X0308)                |
| West Campus | School of Public Health and Psychiatric Institute | 06    | 680         | All Gender (X0308)                |
| West Campus | School of Public Health and Psychiatric Institute | 07    | 760         | All Gender (X0308)                |
| West Campus | School of Public Health and Psychiatric Institute | 08    | 860         | All Gender (X0308)                |
| West Campus | School of Public Health and Psychiatric Institute | 09    | 960         | All Gender (X0308)                |
| West Campus | School of Public Health and Psychiatric Institute | 10    | 1060        | All Gender (X0308)                |
| West Campus | School of Public Health and Psychiatric Institute | 11    | 1160        | All Gender (X0308)                |
| West Campus | Center for Structural Biology                     | 01    | 104         | All Gender (X0308)                |
| West Campus | Center for Structural Biology                     | 01    | 106         | All Gender (X0308)                |
